Dear Ms. Wiltshire:

I want to thank you on behalf of the City of Lakewood for the improvement that the IceCOLD® technology has provided to the air conditioning equipment at our Heritage Center Building located in the City of Lakewood, Colorado.

The City of Lakewood received an improvement efficiency of 31.5% after the inclusion of IceCOLD® and are looking forward to including IceCOLD® in additional systems in the future.

Sincerely, *

A handwritten signature in black ink that reads 'Bruce Peoples'.
